Hi Kim,

Does Isack have a date for his 30th anniversary event? The Councilmember can make a certificate for him, but we usually put a date on it.

I'll check with the LADOT re the pedicab idea. I know there was a motion at City Council to look at it, but I don't think it gained much traction in the two years since it was first looked at.

Thanks,

Hi John:

Tried you at the field office the other day, but couldn't get through. Wanted to check on Isack Fadlon's proclamation and the quote for the press release re: Sportie LA's 30th Anniversary. Any news on that?

And question. We're interested in implementing a pedicab program on Melrose this summer to take people back and forth for free on hot summer days. I know it was a topic of conversation a few years ago, but don't know where the issue netted out.

Do you know if we could get zoned to run something like that?

Thanks,
Kim
